## Travel Information

This vast country is undoubtedly one of the most culturally and geographically diverse places on earth. Fondly known by locals as the 'Rainbow Nation', South Africa has 11 official languages and its multicultural inhabitants are influenced by a fascinating mix of cultures. Discover the gourmet restaurants, impressive art scene, vibrant nightlife and beautiful beaches of Cape Town; enjoy a local braai (barbecue) in the Soweto township; browse the bustling Indian markets in Durban; or sample some of the world's finest wines at the myriad wine estates dotting the Cape Winelands. Some historical attractions to explore include the Zululand battlefields of KwaZulu-Natal, the Apartheid Museum in Johannesburg and Robben Island, just off the coast of Cape Town. Above all else, its remarkably untamed wilderness with its astonishing range of wildlife roaming freely across massive unfenced game reserves such as the world-famous Kruger National Park. With all of this variety on offer, it is little wonder that South Africa has fast become Africa's most popular tourist destination.

The once sleepy little village was named Franschhoek, meaning 'French Corner' as it was founded by French Huguenots. The fertile valley of Franschhoek boasts a rich heritage showcased at the fascinating Huguenot Memorial Museum and the Cape Dutch architecture in much of the village remains remarkably well preserved. The town's proximity to Cape Town allows for pleasant day trips during which visitors can explore the area's many world-class wine estates and impressive range of excellent restaurants or simply browse the quaint, upmarket boutiques strewn along the town's lovely tree-lined avenues.

## Activities

Ernie Els Winery
Beyerskloof Winery
Tokara Winery

### *Ernie Els Winery*

Explore the wonderful and fascinating world of wine as seen and enjoyed by South African golfer Ernie Els. Through his many travels around the globe Ernie has been exposed to and appreciated some of the world's greatest wines and in 1999 decided to pursue his developed passion for fine wine with the creation of Ernie Els Wines. As one of South Africa's leading ambassadors and one of the most recognizable faces in the world of sport, it is befitting that Ernie chose Stellenbosch to produce his wines. Since the concept of Ernie Els Wines was born he produced with the help of award-winning winemaker Louis Strydom, the maiden, 2000 vintage of Ernie Els - a 'classic' Bordeaux blend.

The marketing synergy between the wine and Ernie's 'classic' golf swing were apparent. The intention from the outset was to focus on delivering a quality product that could hold its own in the company of the world's finest wines. Naturally the plan was to start on a small scale, ensuring the packaging and presentation, marketing and distribution, were of a standard that was in-line with their vision for a premium product.

### *Beyerskloof Winery*

Beyerskloof's owner Beyers Truter is to Pinotage what Ken Forrester is to Chenin Blanc and unsurprisingly, his estate is best known for its magnificent Pinotage vintages and blends, which are popular both on the local and international markets. The Red Leaf restaurant offers beautiful mountain views and scrumptious food, including the decadent signature Pinotage Burger. The tasting room is open Monday to Friday 8.30am – 4.30pm and Saturdays 10am to 4.30pm.

### *Tokara Winery*

Tokara is a picture perfect destination which offers visitors a unique combination of award-winning wines, brandy and olive oils, a gallery of fine art, a restaurant featuring one of South Africa's leading chefs as well as a delicatessen. The winery, on the R310 outside Stellenbosch, is nestled among vineyards and olive groves on the crest of the Helshoogte Pass with sweeping views across False Bay and all the way to Table Mountain.

Tokara prides itself on making wines that are site specific. Even though vineyards were initially planted on the southern slopes of the Simonsberg Mountain at the Stellenbosch property, two other farms, Highlands in the Elgin district and Siberia in the Hemel-en-Aarde Valley near Hermanus, were additionally acquired. In doing so TOKARA is able to produce wines which express the distinct characteristics of these three prime wine producing regions.

### Day Itinerary

After breakfast and the morning exploring the town of Franschhoek, you will begin exploring some of Franschhoek valleys best wine estates.

Rickety Bridge Estate

---

### *Leopard's Leap Winery*

Set in the beautiful Franschhoek valley, Leopard's Leap is a wine estate with a difference – in addition to producing great wines its agenda extends to protecting the elusive Cape Mountain Leopard, from which its name was coined. The farm produces a range of red and white wines that are both affordable and easy on the palate, including a range of organic wines.

### *Rickety Bridge Estate*

Rickety Bridge Wine Estate is situated just 5 minutes from the centre of the quaint town of Franschhoek and lies on the slopes of the Franschhoek Mountains overlooking the majestic Wemmershoek Mountain range.

This position gives the estate a range of aspects and soil types for growing different varieties of grapes. The lower

flatland of the estate is covered by sandy soils being close the Franschhoek River which crosses in front of the estate's lower border. The hillside provides the estate with decomposed granite soils which are ideal for growing high quality red grapes required for producing premium red wine.

Rickety Bridge is an historic Franschhoek wine estate, founded in 1797 by the widow Paulina de Villiers, and set in lush vineyards shadowed by the majestic Dassenberg and Wemmershoek Mountains.

Cross the 'rickety bridge' into a haven in the vines and revel in this multi-faceted offering of fine wine, delectable cuisine and luxury accommodation.

Today Rickety Bridge is home to a modern boutique winery producing world class wines, a bistro style restaurant, romantic wedding and function venue and a luxurious 4 star guest house set in the original Cape Dutch Manor House.

### *Haute Cabriere*

Haute Cabrière is situated on the Franschhoek mountain pass, overlooking the breathtakingly beautiful Franschhoek Wine Valley, and is truly something extraordinary. A rich history, a whimsical setting, a seductive approach to wine and a magnetic proprietor ensure that it is a decadent affair for any visitor. The core belief that wine is grown and not made makes the farm's ethos incredibly real and intrinsically human. Wine is more than what is in the bottle and it is considered an exceptionally intimate experience. This seductive conviction is intertwined with the farm's ultimate philosophy that wine is bigger than one, it's the combination of four factors: Sun, Soil, Vine, Man

### *Dieu Donne Vineyards*

Dieu Donné Vineyards was acquired by the French-Mauritian, Robert Maingard in 1987 in search of his French roots in South Africa. The Farm is situated high on the steep south-west facing slopes of the Franschhoek Mountains, which tempers the sun. This cooling effect ensure slow ripening of our grapes. Thanks to our cool summer conditions and unique soils from weathered granite with a rocky topsoil, called 'Greywack', the vines do not show excessive vigour, nor do they over-produce. These special soils do not get irrigated, further concentrating the flavours and characters of Dieu Donné's terroir in the grapes. These exceptional conditions give Dieu Donné their special character. Merlot, Cabernet Sauvignon, Shiraz, Chardonnay and Sauvignon Blanc has been made for quite some time now and more recently Dieu Donné started producing a Méthode Cap Classique and Viognier. Merlot is the Flagship wine of the cellar. The view from Dieu Donné is well-known among those who wish to identify the famous landmarks of Franschhoek, watch the sun setting over the Simonsberg Mountains or just love enjoying a glass of wine at this scenic spot.
